

# AM-1015

AerMonitor is a slim and sleek monitor designed to give you more possibilities. Choose between a fifteen or seventeen inch display and a wide selection of add-on devices and peripheral to make the perfect monitor for your store.

## 01/ 15inch and 17inch Display

## 02/ Slim

Both the 15inch and 17inch displays measure less than 4 centimeters in thickness.

## 03/ With a Base

## 04/ Or a Pole...

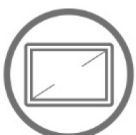

## 05/ Style. Simple. Smart.

The space pole is an way for merchants to maximize their counterspace while hiding all of the cables and wires inside. The AerMonitor sits beautifully on any retail or hospitality store.
